

## HP Supreme

The best-of-the-best in a hybrid film. A color-stable metal hybrid with excellent solar heat-rejecting performance. Backed by a lifetime warranty, HP Supreme also offers superior optical clarity with one of the darkest VLTs available at 4%.

### Key Benefits

- Guaranteed against fading or color change
- High heat rejection
- Excellent glare reduction
- Blocks more than 99% of the harmful UVA and UVB rays
- Available in seven shades
- Limited lifetime warranty
