

Solar Gard Architectural Product Line

Solar Gard offers a broad line of products to address your needs.

PureVue™ Ceramic

Enhanced natural appearance of glass and clear views, particularly in demanding coastal environments.

TrueVue™ Dual-Reflective

Superior views day or night with low reflectivity, superior heat control and glare reduction.

Stainless Steel

Extraordinary solar control with a subtle grey finish from the outside.

Aluminum

Optimum privacy while yielding significant energy consumption reduction.

Quantum®

Superior heat protection through a patented technology.

Solar Bronze

Subtle exterior copper finish that naturally complements most buildings and landscapes.

Sentinel™ Plus Outside Weatherable

Superior heat and glare control on the exterior of windows, where interior installation is not practical.

Graffitigard™

Clear protective barrier, designed to be easily replaced, that protects painted and glass surfaces from permanent damage.

byDESIGN Decorative

Privacy and sophistication with vinyl and polyester options.

Armorcoat®

Protection against flying glass shards to safeguard assets, reduce injuries and improve overall building safety. Available only through the Armorcoat Certified Partner Network.
