

Anti-Graffiti™

ARCHITECTURAL WINDOW FILMS

The Anti-Graffiti™ Series by SunTek® is an ideal solution for areas and applications where vandalism and graffiti are prevalent. Once installed, this clear and virtually undetectable film protects glass from tagging, etching, paint and marker damage. If vandalism does occur, this specially formulated film is designed for quick and residue-free removal which not only eliminates the graffiti but also the need for expensive glass replacement. Recommended applications include public transport vehicles and stations, mirrors, elevators, restrooms, and more.

BENEFITS

- Clear, virtually undetectable appearance
- Available in 4-mil and 6-mil constructions
- Scratch resistant coating formulated for indoor and outdoor use
- Pressure sensitive adhesive specially formulated for quick and residue-free removal
- Exclusive manufacturer's warranty

MADE IN THE USA

SunTek® window films are made in the USA by Commonwealth Laminating & Coating, Inc. (CLC).

HIGH-TECH INNOVATION

CLC prides itself on using the world's latest technology, much of which is proprietary.

UNSURPASSED QUALITY

CLC utilizes the highest-quality raw materials and converts them according to the highest of industry standards.

A PRICE YOU CAN AFFORD

CLC's innovative and efficient manufacturing operation means lower costs for you.

Anti-Graffiti™ Series

PERFORMANCE DATA	4M Anti-Graffiti	6M Anti-Graffiti
Visible Light Transmittance	86%	86%
Total Solar Transmittance	78%	76%
