

MARINE SEVEN-YEAR PRODUCT WARRANTY

V-Kool, Inc. warrants that V-KOOL clear solar control window film will maintain its properties without blistering, cracking, crazing, delaminating, demetalizing, discoloring, or peeling when properly installed on the interior surface of properly prepared glass doors and windows.

In the event the product is defective under stipulations of this warranty, as your sole and exclusive remedy, V-KOOL, Inc. will replace the defective product and provide, to the authorized dealer, a standard fee for removal and re-application labor. V-KOOL, Inc.'s liability is limited to the replacement and re-installation labor of only such quantity of film judged to be defective by the manufacturer.

This limited warranty applies only to V-KOOL installed on the interior surface of properly prepared glass doors and windows by an authorized V-KOOL dealer following all installation practices and guidelines as specified by V-KOOL, Inc.'s training manual and any updates thereof. Sealant is applied to assure insulation and protection of product. There are no warranties which extend beyond the description on the face hereof. There are no warranties of fitness for a particular purpose of merchantability applicable to V-KOOL. Manufacturer's warranty does not cover improper installation (ie. Wrinkles, bubbles in the application). The manufacturer assumes no liability for scratching or damaging of the film by improper treatment. In no event shall V-KOOL, Inc. be liable or responsible for any loss or damage, direct, incidental or consequential, except as expressly set forth herein. This limited warranty is made in lieu of all warranties, expressed or implied, and is void if the product has been subject to abuse or improper care (i.e. Do not apply adhesive tape of any kind to any window film because if removed it could damage the film and is not covered by your warranty). This warranty gives you specific legal rights and you may have other rights which vary from state to state.

This warranty is valid only if this warranty registration form is received by V-KOOL, Inc. within thirty (30) days from completion of installation.

Any owner desiring warranty service on any product covered by this limited warranty must provide the information contained on this warranty form to the Dealer or V-KOOL, Inc. Proof of purchase and defective product samples are also required in order to obtain warranty coverage. It is recommended that the purchaser keep the completed warranty form/installation record in a safe location.

This warranty covers installations in the continental U.S. and Canada only. For installations in other countries, contact the V-KOOL Sales and Marketing Department.

WINDOW CARE/ HOW TO CLEAN V-KOOL TREATED WINDOWS

- When cleaning, use a soft towel or cloth, or clean synthetic sponge
- Use common cleaning solutions such as warm water and detergent
- Do not use solutions that contain abrasive materials. Common cleaning solutions without ammonia may be used safely for cleaning purposes.
- DO NOT WASH WINDOWS UNTIL THIRTY (30) DAYS AFTER INSTALLATION OF V-KOOL

DRYING TIME

During the window film drying process you may notice changes in the optical clarity. A cloudy appearance may occur. If this happens, it is normal and will go away. After the moisture dries, the hazy appearance will disappear as the film bonds to the glass. V-KOOL "cures" at a slower rate than other window films because of its high tech manufacturing process.

The terms and conditions of this coverage are as follows:

1. Coverage is limited to the original owner of the property at the time of installation.
2. In no event shall V-KOOL, Inc. be liable or responsible for any loss or damage, direct, incidental, or consequential, except as expressly set forth herein. This limited warranty is made in lieu of all warranties, expressed or implied, and is void if the product has been subject to abuse or improper care. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
3. The warranty shall be completely invalidated if any information or representation set forth on this form is not accurate.
